Position Description

We currently have a seasonal full time and a seasonal part time Sales Associate position available in our business division located in Oregon, WI. This would be a great opportunity for someone who likes plants and gardening and wants to grow and share this passion with others.

The Sales Associates are responsible for:

- Taking wholesale orders
- Helping retail customers select products and check out
- Assisting with plant care
- Additional general labor duties as assigned due to seasonal fluctuations.

Best candidates will have:

- Basic Plant Knowledge
- Experience in Nursery, Landscape or Garden Center industries
- Customer service experience
- Sales experience
- Ability to prioritize job duties in a fast-paced seasonal environment
- Strong work ethic
- Demonstrated ability to work with others to achieve the team goals
- Demonstrated willingness to learn

The full-time seasonal position will run from mid-April through October and the part time seasonal position from mid-April until June . Positions may include weekend hours. Starting pay depends on experience.
